PERSONAL STATEMENT

I am a highly motivated, organised and analytical individual, returning to Developer work after a year to build my tiny house. Now seeking a full-time Front End Developer role at a Shopify specialist agency, to further develop my skills and continue my passion for building quality Shopify Stores.

TECHNICAL SKILLS

- HTML5, CSS3, Sass
- JavaScript ES6
- Liquid

PERSONAL SKILLS

- Strong planning and implementation skills
- Excellent attention to detail
- Able to work confidently under pressure and as part of a team
- Excellent understanding of various IT and computer systems

EMPLOYMENT HISTORY

Fabricator, February 2020 - Present

Kiwi Canvas Co, New Zealand

- Operating various power tools and machinery, such as High Frequency Welder, Hot Air Welder and Sewing Machine
- Measuring and cutting various materials to size i.e PVC, Canvas and Aluminium
- Assemble materials to create the final product
- Assist with installing outdoor screens, shade sails, awnings, canopies

Front End Developer, April 2018 - January 2020

Jimmy Joy, Amsterdam, Netherlands

- Developed my understanding of Shopify's templating language, Liquid
- Developed the Shopify theme further which was based on the store bought theme, Envy
- Managed and maintained all Shopify stores for Jimmy Joy
- Worked with popular Apps such as ReCharge, Klaviyo and Yotpo
- Further developed my skills as a Front End Developer

Supervisor, September 2016 - April 2018

Jimmy Joy, Amsterdam, Netherlands

- Managed other employees
- Feed raw materials into production machinery
- Assemble goods on the production line
- Monitor the production process

Front End Developer, March 2016 - September 2016

RHOS, Amsterdam, Netherlands

- Identified bugs with the RHOS App
- UX tests to test the usability of mobile and websites
